

What to do in the event of a vehicle accident

- 1) **Stop your vehicle immediately**, and if possible, park in a safe area.
- 2) Obtain all the **other party driver details**.
- 3) **Never air an opinion** as to who might have caused the accident.
- 4) Always try to **obtain contact details of an independent witness**. Write down their contact details, address and if possible obtain their statement, a sketch and description of the accident.
- 5) Very important: **confirm where the accident happened**, name the road or freeway.
- 6) Write down the **date and approximate time** of the accident.
- 7) Should your vehicle not be drivable, please **ensure that the towing company is authorised** by your insurer. It is crucial that you confirm where your vehicle will be towed to.
- 8) **Report the accident within 24 hours to the South African Police Service**. Obtain the accident report number and / or a copy of the accident report if possible.
- 9) **Call your insurer's claims department (or your broker)** and report the incident soonest.
