

Momentum Growth Enhancer
has been awarded the prestigious
'Deal of the Year'

by the international authority on structured products.

The Africa Structured Products and Alternative Investments 'Deal of the Year' has been awarded to Momentum by the international authority in structured products.

The innovative Momentum Growth Enhancer was awarded the prestigious 2016 African 'Deal of The Year' accolade, in recognition of Momentum's unique expertise in providing unrivaled client solutions for your financial wellness.

Momentum edged out numerous competitors to claim the prestigious 'Deal of the Year' award at the inaugural African awards event hosted by world-renowned online resource, Structured Retail Products.

Recognising world-class innovation in structured solutions, this award confirms Momentum's commitment to client-centricity and its unique expertise in providing leading solutions for clients' financial wellness.

Structured Retail Products is a leading online resource for the global structured products community covering retail, institutional and private banking markets. As an international authority in structured products, Structured Retail Products boasts an online database that covers more than 14 million structured products, representing 2 900 companies in 53 different countries.
